On November 3, the “World Overseas Chinese Merchants Water Bank” Hengshui Investment Promotion Conference co-sponsored by the China Overseas Chinese Business Association, Hebei Province Overseas Chinese Federation and Hengshui Municipal Government was held in Hengshui City. Vice Chairman of the Chinese Federation of Returned Overseas Chinese and Secretary of the Party Committee and Chairman of the Hebei Provincial Federation of Returned Overseas Chinese Bao Dong, inspector of the Economic and Technological Department of the Overseas Chinese Federation of China, An Chen, Secretary General of the Chinese Overseas Chinese Merchants Association, Ji Jiayu, Vice Chairman of the Hebei Provincial Federation of Overseas Chinese, and the leaders of the Hengshui Municipal Government and the leaders of the Taocheng District Government attended the event.

Bao Dong, speaking on behalf of the Provincial Federation of Overseas Chinese, said that in recent years, the provincial federations of overseas Chinese have worked hard to give full play to their own advantages, and have provided a platform for the vast number of overseas Chinese and overseas Chinese companies to participate in hometown construction and provide services, and achieved remarkable results. Today, everyone gathers in Hengshui and hopes that overseas Chinese businessmen will seize the opportunity, select the right projects, actively participate in the development of Hengshui, share opportunities, win-win cooperation and create a better future in Hengshui development. At the same time, we must give full play to the advantages of their respective fields, and introduce more overseas Chinese businessmen to Hengshui to visit, innovate and create, invest in home ownership, so that more advantageous enterprises and high-end projects can be settled in Hengshui. He stressed that it is necessary to conscientiously implement General Secretary Xi Jinping's important exposition on overseas Chinese affairs and the spirit of the Tenth National Congress of Returned Overseas Chinese and Overseas Chinese. Give full play to the role of the Overseas Chinese Federation and the returned overseas Chinese and overseas Chinese, and actively participate in the coordinated development of Beijing-Tianjin-Hebei, the planning and construction of the Xiong'an New District, the preparations for the Beijing Winter Olympics, industrial transformation and upgrading, ecological civilization construction, and accurate poverty alleviation, and build a strong economy for the new era. The province and beautiful Hebei contribute wisdom and strength.

On behalf of the Chinese Overseas Chinese Chamber of Commerce, An Chen congratulated the organizers of the event. He said that the current Hengshui City is in a rare historical window and strategic opportunity period. In particular, the in-depth promotion of the coordinated development of Beijing-Tianjin-Hebei and the planning and construction of the Xiong'an New District have brought a rare opportunity for development. The China Federation of Overseas Chinese Businessmen is very willing to strengthen exchanges and cooperation with Hengshui City and build a platform for mutual development, cooperation and mutual benefit in order to promote the development of Hengshui's opening up.”

At the promotion meeting, 11 companies including the European and American Technology Industry Alliance, the Swiss-China Innovation Center, and Shenzhen Spark Media Co., Ltd. signed an on-site contract with the Taocheng District Government. Ten companies that entered the VR Digital Town entered the contract with Guoxin Youyi Data Co., Ltd. The launching ceremony of the Hengshui Big Data & VR Digital Town Project was held.

After the promotion meeting, a group of overseas Chinese businessmen, overseas experts and overseas Chinese businessmen were held. Shao Qingshan, Chairman of the European and American Technology Industry Alliance, on the global talent and technological innovation, Yang Erlin, President of the Finnish Chinese Chamber of Commerce, on the Nordic Science and Technology Innovation System and Cooperation Opportunity, Chen Minghong, President of the European Innovation and Entrepreneurship Association, on the European Science and Technology Innovation System and the Opportunities of Cooperation in China, the Germans Jiang Yu, the representative of China, made a speech on the German dual vocational education system, and more than 10 overseas Chinese businessmen also made project introductions. Everyone said that Hengshui is a hot spot of investment full of vitality, full of hope and full of vitality. They are willing to give full play to their own advantages and actively participate in the development of Hengshui.

During the event, the participants visited Taocheng Middle School, Aviation Sports Town, VR Data Town, Hengshui Laobai Dry Wine Factory, Hengshui Science and Technology Innovation Center, and Xisan Inner Painting Museum.

Wang Xiaoguang, director of the Economic and Technological Department of the Provincial Federation of Overseas Chinese, and researcher Cui Yuqing attended the event.
